Overview Of RATA

The Refrigeration & Air-Conditioning Trades Association Ltd. (RATA) is one of the oldest association working for the development of Air-Conditioning & Refrigeration industry in India. Established in the year 1949, the association brings together people from the entire industry and gives them a central forum to help them accomplish their common goal of making progress and achieving success. To bring this vision to reality, RATA with its base of ethics and a strong code of conduct, actively and responsibly helps its members to grow and has also encouraged new entries for the expansion and betterment of the industry. RATA believes in providing a platform to its members to showcase their offerings which in turn will promote internal as well as external trade. In this constantly evolving industry and changing market trends, the association contributes towards the promotion and an overall development of its members and the industry by encompassing companies and traders to organize promotional, educative and informative events.

VRF Mela Indore

Date: 1st September, 2018

RATA organized a VRF Mela at Indore with help of local trade members like Mr Sandeep Belsare (Cool Corner) & Mr Jitendra Vyas (Tech Care). Johnson Controls-Hitachi Air Conditioning India Ltd. were platinum sponsors for the same and was powered by International Copper Association India, the event was focused in enabling the trade members to understand the opportunities of business for growth and insights into how most of the trade members could grow and diversify into the VRF business. Our Speakers were stalwarts of the industry who did presentation on the VRF business. With over 200 Participants for RATA's event in Indore, RATA Team was overwhelmed. Participants showed great enthusiasm all through the session. The event was supported by ISHRAE.

Our Speakers for VRF MELA INDORE
