BE AWARE BE SMART

TRADERS BE AWARE BE SMART

FRAUD happening in our industry lots of spare part dealers (**SPD**) of our industry have been victim of this **FRAUD!!!**

The **FRAUD** has been going on in the market from last few months

An unknown caller calls the spare part dealer and orders him a minimum order of Rs 50,000/- of copper pipe and tells him to deliver at a particular destination and collect the cash and delivery charges from the destination.

CONMAN is smart enough that as soon as the material is delivered at the destination, he request s to collect the cash from other place and as soon as you drop the material at his destination, his persons collects the material and runs away.

When **SPD** goes to collect the cash to the 2nd location as requested by the **CONMAN**, he finds that there is no such address and it's a wrong address.

At the **END** the **SPD** has lost the material and even does not get cash for the same.

Already few **SPD** have become a victim of the **FRAUD!!!**

Kindly pass the message to maximum trade members an alert them of the **FRAUD!!!**
