# MESSAGE FROM NATIONAL PRESIDENT

## Mr. Mihir Sanghavi

Dear fellow RATAites,

Happy Seasons greetings to all of you! Hope you had great Diwali and New Year with your loved ones.

November month for RATA has got lots of cheers for members with 41 companies joining ever growing RATA movement across India and even the world.

RRCs had excellent advocacy with government bodies. Vadodara reaching out to Electronic Skill council of India, Mumbai reaching out to National Traders welfare Board, Delhi reaching out to EEPC and MSME boards. These were excellent efforts and shall be beneficial to all members.

Excellent programs conducted by all RRCs on Eway bills, risk analysis, investment opportunities, industrial visits, Diwali Milans, RATA Crickets Premier league and special mention of ducting contractor meet. These are excellent opportunities to get knowledge updates and networking opportunities so request members to take advantage of these.

Trade discrepancy Committee is doing outstanding work and have started reaching out to defaulters and quite a few disputes amongst the trade have been resolved. Please reach out and take advantage of this initiative.

I once again urge all of you to reach out to trade and ask your fellow friends to join RATA in numbers so our voice becomes stronger and stronger in government. Also reach out to any one of us to volunteer for uplifting the society.

Have a great month ahead full of smiles and high energy.
