

Company Profile

1. Introduction

Ashapuri Refrigeration Services is an Engineering Company founded in year 2012 by Mr. Nandkishor kotkar, a Technocrat with 28 years of marvelous experience in the Refrigeration & Air Conditioning Industry.

The company has grown Multifold in terms of business volumes, customer base etc. with the goodwill it has earned from its customers.

In the year 2014, ARS has taken over M/s Padmaja Enterprises and its customers. This was 20 years old company catering to food processing sectors.

Its services are broadly classified as under:

1. Design and Execution of Refrigeration projects, involving Cold Storages, Cold rooms, Blast Freezers, IQF, Plate Freezers, Brine chillers, Retail Malls etc.
2. Design and manufacture of industrial cooling equipment like Process Chillers and Condensing Units.
3. Sourcing Installation, Testing, Commissioning & Maintenance of Refrigeration plants

Ashapuri Refrigeration Services provides comprehensive solution for all industrial refrigeration & possess expertise in design, build, installation and servicing of Chilling Plants. We also are a leading industrial refrigeration equipment supplier and manufacturers.

Ashapuri Refrigeration Services
REFRIGERATION AND AIR CONDITIONING ENGINEERS.

Our expertise lies in offering the Cost Effective, Customized solution, while ensuring a supreme quality job.

We are a team of professionals, committed towards quality, innovative application, and energy conservative, safe & environment healthy outcomes.

In addition to above, as mentioned our organization is the exclusive service agent in India for the AVP (Authorised Dealer) of M/s. Bitzer (German Company) & Service provider in west zone of India for the M/s. Danfoss India Ltd, both are very renowned in refrigeration field.

2. Application Area Covered:

- 1) Setting up Cold Rooms / Cold Storages complete with IDU / ODU & Electric Panels with Air conditions of Low Temp -Low RH, Low Temperature –High RH, High Temp. –Low RH, High Temp- High RH with Freon / Ammonia as Refrigerant
- 2) Setting up Refrigerant plant for Major Food Processing Industries with facilities for IQF , Plate Freezers, Spiral Freezers, Tunnel Freezer
- 3) Design & Build Chiller Packages for Industrial Cooling with Fluid Storage Tank / Running system for any conditions & capacity
- 4) Installation, Maintenance & Troubleshooting of Bitzer make condensing units.

3. Strategy:

3.1) Vision of Our Organization:-

With the growing scope of food cold chain, we want to achieve the annum growth by 15- 20 percent with the same zest and expertise and introduction the new technology in the Indian Refrigeration and Air conditioning market. Our organization is planning to expand own manufacturing facility and product range by setting up a factory measuring approx. 6000 sq.ft. at Pune

Ashapuri Refrigeration Services
REFRIGERATION AND AIR CONDITIONING ENGINEERS.

3.2) Mission of our Organization:-

To complete the project on time and satisfy the customer with the quality, team work, efforts, and maintaining client interest.

4. Current Customer & Projects: (FY 2019-20)

Few of our key ongoing projects under the segment are as follows:

1. Silver Sea Food Porbandar, Gujrat

Blast Freezer 5 MT/4 hrs batch @ 160 kW Refrigeration capacity
Plate Freezer 900 Kg/ hr @ 100 kW Refrigeration capacity
IQF 1000 Kg/ hr @ 250 kW Refrigeration capacity
Total 1600 kW Refrigeration capacity.

2. Serum Institute Pune.

-25°C Cold storage, with Freon System.

3. Aziz Trade Bangladesh

Cold room supply for Milk Vita Dairy Project.

4. Shipping Times India PVT limited.

Expansion work.

05 Completed Projects:

Few of our key completed projects under the segment are as follows:

- 01) Hyper City Retail India Ltd.**
Integrated Retail Mall.
- 02) Suryadeep Multipurpose Cold Storage LLP.**
Multi commodity Cold storage having 3500 MT capacity F & V.
- 03) SNOWDEN (A Unit Mount Maltbru Ltd.)**
Multi commodity Cold storage with Ammonia based system.
- 04) Raja Agro cold storage**
Multi commodity Cold storage with Freon based system
- 05) Agro Index Ltd, Bangladesh.**
504 X 2 nos Block Ice Plant with Ammonia based system.
- 06) Schreiber Dynamix Dairies Ltd. Kuppam A. P.**
Refrigeration System for 40 TR Glycol chilling plant
- 07) Ace Agro (Cold Storage, Blast Freezer, Spiral Freezer)—Pune**
2 MT IQF, 3000 MT Cold storage, 3 MT Blast freezer, 50 TR brine chiller package.
- 08) Apollo Ice Cream (Milk way Dairy)—Gunter (A.P.)**
4000 Kg Ice cream storage facility.
- 09) Kakade Foods Pvt Limited. —Pune**
1 MT Blast Freezer, 25 MT Cold storage
- 10) Hotel Leela (Retrofit for Freezer room for seafood)-- Mumbai**
1 MT Fish Storage Facility.
- 11) Liba Ice and Fish Storage- Ratnagiri**
500 MT Export Oriented Fish Storage Facility

12) KNC Agro (Fish Processing Company) – Kolkata

Having

750 kg x 2 nos of IQF Process line

770 kg/70 minutes of 5 no of Plate freezers

50 MT tube ice machine

50 MT plate ice machine

200TR 4 Nos. Cold Rooms

13) Miki exports 750 MT x 2 nos of meat cold storages

14) Sahyadri agro limited

7.5 MT/ 3hrs, 6 nos of pre cooling

250 MT x 4 nos of cold rooms

3 MT / 25 minutes vacuum pre cooling

35 MT x 8 nos of ripening chambers

250 MT x 8 nos of frozen storages

2.5 MT/hr IQF, 400 kW booster and high stage ammonia screw compressor system

15) Mhetre food PVT limited

300 MT x 4 nos of frozen storages

300 MT x 3 nos of cold rooms

1.6 MT IQF, 217 kW booster and high stage ammonia screw compressor system

16) Prasad seeds

1.4 MT IQF, 700 kg plate freezer, 6 MT blast freezer on 240 kW booster and high stage ammonia screw compressor system

16) Schreiber Dynamix Dairies Ltd.

Refrigeration System for Spiral Cooler for CHEEZE PROCESSING.

17) Shipping Times India PVT limited.

Supply, Installation, Testing and Commissioning of Ammonia based refrigeration system for Cold Storage.

204 MT X 2 nos cold rooms

124 MT X 1 no Cold room

Ashapuri Refrigeration Services
REFRIGERATION AND AIR CONDITIONING ENGINEERS.

200 MT X 1 no Frozen Food storage
157 MT X 2 nos Frozen Food storage

18) Prasad seeds

1.4 MT IQF, 700 kg plate freezer, 6 MT blast freezer on 240 kW booster and high stage ammonia screw compressor system

19) Sneha Chicken Pvt limited Hyderabad. Integrated Chicken Processing facility.

And Many More....

01 Business, Administrative & Contact Information:

- 6.1) M/s Ashapuri Refrigeration Services
- 6.2) Business operated by : Mr. Nandkishor Kotkar
- 6.3) No. of Employee: 12 Nos.
- 6.4) Email: nandkishor@ashapurirefserv.com
- 6.5) Contact No.: 9922002663 / 9167716409
